MESSAGE FROM THE PRESIDENT

Hello again fellow TOCO members,

It was great to see so many of you at our Drive-In event last month. All the details are in this newsletter.

Now that we are well into the fall I hope you are enjoying the colours as a great distraction from what is going on in the world.

A few tips for this time of year, with temperatures dropping you will notice less regen available. I highly recommend you keep your vehicle plugged in and set to a charge rate of 80-90%. Make sure to warm the car up 30-45 minutes before you leave to warm up the batteries and restore regen.

Also if going to a Supercharger set it as your destination in your Nav to also precondition your car. You may want to start thinking about buying your snow tires or booking an appointment soon to get your snows installed. Normally we recommend that once the temperatures go below 8 degrees consistently. Two of our sponsors can help with tires and wheels.

We are working on planning another Zoom meeting, so stay tuned for that.

All the best,
John Dixon

- 686 members (September = 663)
- 1727 followers on Instagram (September = 1,645)
- 2751 followers on Twitter (September = 2,611)
- 1990 members in the Facebook group (September = 1,882)

Club News

TESLA GROWS = CLUB GROWS

The club has tripled membership in the last 2 years.

We continue to grow. We have been focusing on a consistent social media presence and are seeing new members sign up from Instagram and Facebook.

Three New Sponsors

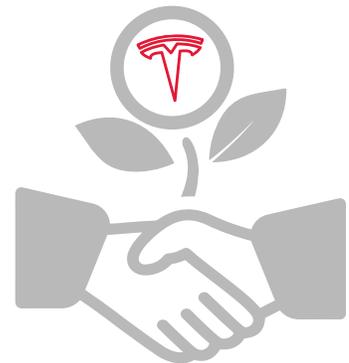

The Club is happy to welcome three new sponsors.

Our goal is to connect with a variety of service providers across Ontario to support club members with their Teslas. For example with AVOTTO joining the other PPF suppliers, we now have good representation in the west, central and east GTA.

Our sponsors have been of great support with club events and gifts throughout the year. We hope to continue our partnerships and plan more events and giveaways virtually or in-person when the time comes again.

Please visit [WheelsCo](#), [Pfaff Autoworks](#), and [AVOTTO](#) to learn more about our new sponsors.

You can also visit the list of all our sponsors on our website [here](#).

THE DRIVE-IN EVENT WAS A HUGE SUCCESS!

There were 122 EVs who attended, including 3 Porsche Taycans, 2 Nissan Leafs, and 3 Chevrolet Bolts. As an added treat and surprise, we invited Ken to fly in and showcase his DeLorean. The car is the exact replica of the DeLorean from Back To The Future, which was our second movie of the night.

The car was certainly a highlight with all the cool lights and music. The BTTF fans were able to get pictures with the car while the movie played in the back ground. What a treat indeed!
Many thanks to Ken for volunteering his time and to all the EV owners who came out.

Looking forward to the next one.

☐ Thx to Jeremy Theal for the pictures.

GET TO KNOW OUR SPONSORS

THANK YOU for your continued support in these difficult times. The global pandemic has certainly created new challenges and obstacles to overcome, but we are energized and committed to continue bringing you all the detailing services that the members of TOCO have come to know and love.

Since 2011, Inception Automotive Detailing has been racing into the future – offering the most sought-after services and reliable craftsmanship of the highest caliber. Lorenzo Escobal and his skilled technicians are artists and car connoisseurs, bringing with them decades of automotive experience, material skill and motorsport expertise.

Inception Automotive Detailing is a *Premier XPEL Paint and Protection Film and Window Tint installer* in the GTA. Spend time with any Tesla owner and no doubt you'll hear about the importance of protecting its finish and its luxury interior. We boast numerous protective products and are excited to announce our newest available product: **XPEL RX™ ANTIMICROBIAL FILM**. This film inhibits the growth of microbes, improves touch screen clarity, and provides impact resistance to high traffic touch-zones. Leave us a message on our Contact Us page for more information.

Also, we are **MOVING** to a massive approx. 12,000 sq ft facility teeming with amenities and features, ready to deliver the new driving experience. We're headed to A - 373 Wycroft Rd, Oakville, ONT, L6K 2H2, (only two doors away). We are still just minutes from the Oakville Tesla Dealership and very keen to offer New Car Preparation for your next Tesla. You just bought the Tesla of your dreams, why not protect it from nightmares on the road?

And remember, we are an official **Destination Charging Partner** with Tesla Motors®. We offer convenient charging to your vehicle while it is being serviced, free-of-charge. No matter what you come in for, we'll juice up that battery and get you back on the road in a flash.

Ultimately, we don't just clean cars at Inception Automotive Detailing. We groom them into perfection. We tailor them. We customize them. With skillful exacting hands, we coax out your Tesla's true lustre and magnify its racing spirit. We are honoured and privileged to be a member of TOCO and we endeavour to acknowledge this accomplishment with dependable work, quality service and customer satisfaction. Please visit www.inceptionautodetailing.com for more information and check out our Facebook page for exciting Tesla content!

Are you ready for the new driving experience?

VIDEO OF THE MONTH

[ZAAP Charge Inc.](#) recently reached out to John for an interview.

Zaap Charge Inc. is a Canadian EV infrastructure company setting up ultra-fast charging stations across the country.

For their series called Electric Conversations, the host, Rob Hislop, connected with John to talk about the Club. John shared some insights into driving your EV in the Canadian winter and the advantages of being part of an official EV club.

If you missed the interview, you can use the [link](#) here to watch it.

Membership Benefits

The value of being a Tesla Owners Club of Ontario member continues to evolve. Be a part of this growing community!

This group is unique in its connection to Tesla — a direct connection through the club for owner issues or concerns. Our executive committee works to strengthen our connections with Ontario businesses interested in our Teslas. Our growing sponsor list and benefits are indicative of the work happening behind the scenes.

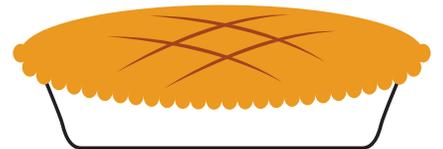

We have great networking opportunities and many social events, and are working to develop more membership benefits. Let us know what you'd like to see and how we may serve a broader Ontario-wide Tesla Owners community. Share your ideas with any of the executive committee members, or write to info@teslaownersclub.ca.

HOLIDAY

We're thankful for our Teslas and for all of our passionate club members.

Wishing you all a safe and healthy Thanksgiving long weekend.
