MESSAGE FROM THE PRESIDENT

Hello everyone,

Well the holidays are rapidly approaching, and I know it will be very different for all of us this year. I wish you all the best of the season.

Here is an update on what has been happening lately. Everyone is getting their next year of membership in the club at no charge. So your automatic renewal will be extended for 1 year.

Our holiday food drive has proven to be very successful. As I write this we have exceeded our goal and raised \$16,400 for this very worthy cause! Thanks to all who contributed.

We recently emailed you all a reminder of the Tesla online discount code in case you haven't used it yet. In addition we just finished another fun contest to identify the next Supercharger under construction. FYI the location is Orangeville.

We are still working on finalizing the online clothing shop, stay tuned as it is imminent. We are also working our content for our next few Zoom meetings.

Stay safe and enjoy the holidays.

All the best,
John

New Kitchener Location

The new sales/delivery location is now open at [663 Victoria St N, Kitchener, ON N2H5G3](https://www.google.com/maps/place/663+Victoria+St+N,+Kitchener,+ON+N2H5G3).

Showroom hours: Weekdays:10-7PM Saturday:9-6PM Sunday:9-5PM

Test drive availability (one hour slots starting at each hour) Weekdays:10-6PM

Saturday:9-5PM Sunday:9-4PM

Contact the sales line to book a test drive at (647) 417-3088.

Alternatively you can also use the self-schedule tool located at: https://www.tesla.com/en_CA/drive?redirect=no

Please note that a G license and an active insurance policy is required for test drives. Individuals booking the test driver should only bring members of their households with them on the drive.

Masks are required for entry to the showroom.

Host A Supercharger

ATTN: Commercial landowners in the Greater Toronto areas!
Green your business and accelerate the transition to sustainable energy, while growing your business.

Tesla is taking new applications for Supercharger hosts.

https://www.tesla.com/en_CA/host-a-supercharger

Don't miss this opportunity!

Application window open until December 18, 2020.

Membership Dues

Due to COVID-19 related restrictions and the Club's inability to schedule some of the anticipated events this year, we will be granting current members a 1 year renewal, for free.

The extension took effect on December 1, 2020. Anyone who signed up for the club after December 1, 2020 will have the 1 year extension applied to their membership in 2021.

TESLA APPROVED BODY SHOP

Tesla vehicles are designed for safety from the ground up. Tesla vehicle body structure design incorporates the best in advanced structural aluminum casting, extrusion and stamped panel technology used in combination with the latest aluminum welding and adhesive bonding technology.

Tesla demands the highest standards from an Approved Body Shop like Pfaff Autoworks through rigorous training and assessment of all the technicians that will work on your vehicle. Their aluminum welding capability is evaluated to ensure all safety-critical welded joints can be guaranteed to meet Tesla's OEM specifications along with the adhesive and mechanical jointing technology used in the construction of your Tesla vehicle.

Pfaff Autoworks has invested heavily in training, technology, tools, and equipment, to repair the latest generation of electric vehicles. This includes specific EV training for all technicians, estimators, and staff; implementing specific safety procedures to protect our team and your vehicles; and installing the appropriate charging and maintenance equipment.

The Tesla Approved Body Shop at Pfaff Autoworks is monitored and supported by Tesla Body Repair Program team personnel, working together to ensure you can continue to enjoy your Tesla vehicle.

HOLIDAY

Wishing everyone a safe and joyous holiday!

See you all in the New Year.

Membership Benefits

The value of being a Tesla Owners Club of Ontario member continues to evolve. Be a part of this growing community!

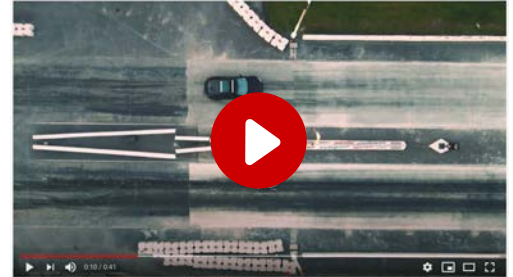

This group is unique in its connection to Tesla — a direct connection through the club for owner issues or concerns. Our executive committee works to strengthen our connections with Ontario businesses interested in our Teslas. Our growing sponsor list and benefits are indicative of the work happening behind the scenes.

We have great networking opportunities and many social events, and are working to develop more membership benefits. Let us know what you'd like to see and how we may serve a broader Ontario-wide Tesla Owners community. Share your ideas with any of the executive committee members, or write to info@teslaownersclub.ca.
